Ascension Wisconsin Childcare Connection

March 20, 2020 8:00 PM

Ascension Wisconsin Foundations developed a statewide resource for all Ascension Wisconsin associates who are in need of childcare resources. To make these resources easily accessible and dynamic, we have created dedicated Facebook groups.

The following Ascension Wisconsin hospital campuses have a dedicated group. For our associates who work in clinics around the state, we encourage you to join the hospital campus Facebook group that is closest to your location. To join the group that best aligns with your location, simply click on the link(s) below.
