

Welcome to Unitarian Church North

*“Providing the light of religious freedom
In the warmth of a caring community”*

Unitarian Church North is a member congregation of the Unitarian Universalist denomination. Unitarian Universalism is rooted in the Jewish and Christian traditions, and yet as a non-creedal religious denomination, we do not ask members to subscribe to specific theological beliefs. In the quest for an authentic, personal theology, our members consider the wisdom of the world’s great religious and ethical teachings as well as their own direct experience, conscience and reason. Our congregation includes people of many faith perspectives, including agnostics and humanists, who join together in community on their religious journeys and work to fulfill our mission to:

- create a diverse and inclusive community;
- promote free religious expression;
- inspire spiritual and ethical growth; and
- work for justice in our world.

A flame within a chalice is a primary symbol of the Unitarian Universalist faith tradition. Many of our congregations kindle a flaming chalice in gatherings and worship services to symbolize the light of reason, the warmth of community, the flame of hope and the divine glow in every life.

Our Building & Grounds

The architecture of Unitarian Church North replicates the octagonal Clausing barns built in Ozaukee County in the 1800s. The church maintains an eight-acre natural landscape of tall grasses, prairie flowers and other native plants to complement the building's distinctive architecture and rural setting. The landscape policy is to keep all introduced plants native to this area and planted in informal, natural arrangements. Many of our landscape improvements are the result of gifts and memorials. Much volunteer labor is provided in planting and maintaining the property. The grounds include a woodland nature trail, beginning at the footbridge over our pond, a fire-council ring, gazebo and children's play area. Our landscape is a resource for nature study as well as a place for fellowship.

You and Your Children are Welcome Here

Our religious education program encourages children and adults to wonder, ask questions and discover. We explore themes such as Unitarian Universalist identity, world religions, peace & justice, the web of life, and social justice -- with a focus on spiritual growth and faith exploration in the context of a caring community.

"The great end in religious instruction is not to stamp our minds upon the young, but to stir up their own ... Not to impose religion upon them in the form of arbitrary rules, but to awaken the conscience, the moral discernment ..."

-- Wm. Ellery Channing (1780-1842), Unitarian Minister

Visitors are always welcome. Non-members are welcome to participate in Religious Education classes, social justice projects, such as preparing meals for homeless families through our work with Family Promise, and other activities.
