1735-21....FIGHT AGAINST LOVE....Elizabeth Taylor and Paul Newman are the dynamic young people of "Cat On A Hot Tin Roof" and it is in this sequence that Miss Taylor as "Maggie," lashes out at her young husband in the words of Tennessee Williams' Pulitzer Prize Play: "I'm Maggie-the-Cat," a very determined girl where my husband is concerned. And there's nothing more determined than a cat on a hot tin roof." The Avon Production which MGM releases also stars Burl Ives, Jack Carson and Judith Anderson. Richard Brooks directs from his own screenplay. Lawrence Veingarten produces.
