HUNTER...AND HUNTED! Van Heflin and Robert Ryan co-star in Metro-Goldwyn-Mayer's gripping "Act of Violence," tensely emotional story of a man's flight from conscience and a mistake in the past. Filmed in and around Los Angeles in the realistic semi-documentary technique, "Act of Violence" has an outstanding cast including Janet Leigh, Mary Astor and Phyllis Thaxter. Fred ("The Search") Zinnemann directed, William H. Wright produced.
